

CAPE TOWN WINE CO

Wine of Origin Cape Town

The Iconic city of Cape Town, home to some of the finest Vineyards in the world, is cradled between the slopes of Table Mountain and the waterfront of Table Bay.

Its proximity to both the Atlantic and Indian Oceans provide the cool growing conditions which create distinctive and expressive wines.

The nose has fruit elements combined with elegant floral notes reminiscent of fruit blossoms in spring. The palate is light and refreshing, with pineapple, juicy white pear and melon.
