

CAPE TOWN WINE CO

Wine of Origin Cape Town

The Iconic city of Cape Town, home to some of the finest Vineyards in the world, is cradled between the slopes of Table Mountain and the waterfront of Table Bay.

Its proximity to both the Atlantic and Indian Oceans provide the cool growing conditions which create distinctive and expressive wines.

ROSE 2018

The nose shows a delicate synergy between strawberry flavoured candy, ripe peaches, and subtle rose petal, with a playful palate showing elegant tones of vanilla, laced with candy floss and red liquorice. A refreshing and fruity wine with a lively fresh finish.

Matched perfectly with Salmon, Trout and Crayfish, plainly served, chunky Bouillabaisse or any delicious Al Fresco Picnic.
