

CAPE TOWN WINE CO

Wine of Origin Cape Town

The Iconic city of Cape Town, home to some of the finest Vineyards in the world, is cradled between the slopes of Table Mountain and the waterfront of Table Bay.

Its proximity to both the Atlantic and Indian Oceans provide the cool growing conditions which create distinctive and expressive wines.

CABERNET SAUVIGNON 2018

The nose shows beautiful nuances of blackcurrant, cocoa powder and black cherry which pulls through to the palate, lined by cedar wood and a floral undertone. The wine is juicy with supple tannins and a long lingering aftertaste of dried berries.

Enjoyed best with Lamb, Roast Turkey or Quail, hearty Boeuf Bourguignonne, or delicious Salisbury Steaks.
