## DELAIRE GRAFF SAUVIGNON BLANC 2020

### VINTAGE CHARACTERISTICS

Characterised by typical dry conditions and moderate temperatures, favourable conditions continued throughout the season. Yet despite smaller berries and lighter crop stemming from the windy conditions grapes showed good acidity and balanced sugar delivering well concentrated and structured wines. The reds promise a full and intense flavour profile.

### VINEYARDS & HARVEST

The grapes were handpicked in the early hours from the broader Western Cape region. Covering a vast area of over 400 kms, vineyards were selected from several premium wine regions in an effort to showcase the unique diversity in flavour profiles available within the Western Cape.

### GRAPE VARIETALS

96% Sauvignon Blanc & 4% Semillon

### VINIFICATION

The grapes did not receive any skin contact and were gently pressed. Fermentation lasted 3 weeks at 15°C. The wine was left on its primary lees for 5 weeks post fermentation and, after blending, an extra 3 months on fine lees.

### TASTING NOTES

A classic maritime Sauvignon Blanc, this wine reveals aromas of cut grass, asparagus and hints of citrus tropical fruit. Discover a multilayered, mouth feel, crisp vibrancy with flavours of Cape gooseberry and zesty fruit with a mineral finish.

### WINE OF ORIGIN

Western Cape, South Africa

### WINE ANALYSIS

Residual Sugar: 2.8 g/l  
pH: 3.19

Total Acidity: 6.9 g/l  
Alcohol: 14.12%
