Terroir:

The vines are rooted in deep red Hutton soils on north-facing slopes, catching the southerly breezes of summer and the frontal winds that punish the Cape from the north in winter. Cool growing conditions on exposed aspects, as well as the practise of dryland farming, sees the fruit develop slowly, drawing maximum variety expression on the vine. The result is tight bunches of small berries, ideal for making wines of structure, elegance and refinement.

Oenology:

The grapes were harvested at optimum ripeness with the components harvested and vinified separately. Fermentation in open-fermenters for 5-7 days at 24°C-28°C Punch-downs every 4 hours, fermented dry on skins. MLF completed spontaneously tanks before the wine was racked into 225L French Oak Barrels.

Maturation:

22 months oak maturation in 40% new 225L French oak barrels.

Winemaker's notes:

Deep dark chocolate enticing cedar aromas appear first on the nose followed by wafting notes of blackberry jam, cherry and cassis. The firm, well-structured palate features robust yet sweet tannins and a broad range of flavours ranging from black cherry and red fruits carried along by the richness of its oak and vanilla notes. It is long and smooth now, with an intriguing character that will continue to develop with years to come.

Food suggestions:

Hearty beef dishes such as goulash and stroganoff.
