Far up the west coast, about 3 and a half hours drive north of Cape Town, lies an open bay of white sand strewn with black mussels and kelp, with the icy waters of the Atlantic beating the shore. This is Donkiesbaai, where the Engelbrecht family have holidayed for four generations. This unassuming spot lends its name to our adventurous range of wines from a further-flung corner of South Africa's winelands. The wine was made with the cuisine of the west coast in mind. Crayfish, Harders, and a cold glass of wine is part of the history that is Donkiesbaai.

### Vineyards

100% Chenin Blanc, naturally dried grapes

The vines are 38 & 20 year old unirrigated bush vines that are planted in deep sandy soils. At an altitude of 520m above sea level, the vineyards experience a warm climate with cooling evening winds.

### Winery

Grapes are harvested on six dates and left on straw mats for 3 weeks to dry. This allows sugars and acids to concentrate, and flavours to fully develop. Grapes are destemmed and gently pressed before being transferred into a barrel for fermentation. The fermentation process is stopped by filtration when the wine reaches an alcohol level of approximately 10%. Hooiwijn is matured in seasoned 500l French oak barrels for 6 months before being bottled. Only 3685 bottles were made.

### Tasting Note

Pale gold in colour with intense aromas of orange blossoms, apricots, litchi and candied orange peel. A luscious wine with good acidity that lifts the palate and gives definition to complex flavours of orange marmalade, beeswax, quince and preserved cumquats, culminating in a clean, honeyed finish.
