

NATURA

Leopard's Leap gives wine lovers a delightful alternative for adding quality to life during those occasions or in those moments where alcohol can or should not be consumed.

Versatile, health-conscious and delicious, Natura is ideal for a responsible, everyday quality lifestyle.

Sourced from cool climates, the grapes for Natura wines are harvested at the optimum ripeness to ensure the finest varietal characteristics.

Winemaking is gentle with the minimum intervention and only when the winemaker is content with the quality of the wine, the alcohol is removed via a spinning cone. Done under vacuum and at low temperatures, this process ensures the product retains its unique appeal.

Crisp and refreshing with tropical fruit flavours and an integrated palate. Versatile, health-conscious and delicious. Low in calories and vegan friendly.
