

2018 Mullineux Old Vines White

Varietals: 69% Chenin Blanc, 12% Clairette Blanche, 9% Grenache Blanc,
7% Viognier, 3% Semillon Gris
Bottling Date: 29th November 2018
Production: 33 012 bottles / 2 751 cases
Wine of Origin: Swartland

Technical Details at Bottling:

Alcohol 14 % - RS 1.4 g/l - TA 5.4 g/l - pH 3.38

Source of Grapes:

From 7 sustainably farmed vineyard parcels in different parts of the Swartland: one parcel of 40 year-old Chenin and a parcel of 10 year old Grenache Blanc on the stony Schist based soils of the Kasteelberg; two parcels of 40-65 year-old dry land bush vine Chenin, one parcel of 43 year old Clairette Blanche and a 59 year old heritage Semillon Gris vineyard grown on the decomposed Granite of the Paardeberg; and a parcel of 20 year-old Viognier on the iron-rich soils of the rolling hills west of Malmesbury.

Date(s) Harvested:

Grapes were harvested between the 26th January and 13th February 2018.

Yields:

Between 4 to 6 tons/ha = 24 to 33 HL/ha.

Winemaking:

As each parcel is harvested the grapes are chilled in our cold room. The grapes are then pressed whole-bunch and the juice is allowed to settle overnight. Minimal SO₂ is added and, as with all our wines, no other additions are made. The juice is then racked to barrel for fermentation. Fermentation is with indigenous yeasts and lasts up to 8 weeks. The wine is left without additional sulphur on its lees until spring. During this time the wine finished malolactic fermentation. The barrels are racked and blended just before the following vintage and bottled unfiltered.

Maturation:

9 months in 3rd and 4th fill French oak 500L barrels and one new 2000L Foudre

Tasting Note:

This wine has a floral nose with notes of grapefruit and lime and a hint of spice. These continue on the palate which is richly textured and balanced by a fresh acidity. Best served at 10 to 12 °C, this wine will show optimally when decanted in the first 3 years after bottling.
