

SARONSBERG

TULBAGH

Shiraz Rosé 2022

The wine has a rose petal colour with plum, red berry and cherry flavours.
The mouth feel is well balanced with a fresh finish.

Fermentation

The grapes were hand-picked in the early morning and force-cooled to 4 °C. Then they were bunch-sorted, destemmed and berry-sorted on vibration tables by 25 highly trained staff. The berries were gently crushed into a satellite tank and deposited in a closed fermenter. After a cold soak of 1 hours the juice was drained and allowed to settle for 48 hours to remove the coarse sediment. It was then racked to a fermentation tank and allowed to warm up before being inoculated with Vin 13 yeast. A percentage of juice, drained from full ripe Shiraz was added for greater structure and mid-palate weight. Fermentation took 21 days to complete at 14 °C. The wine was left to settle and fined for protein stabilisation. It was given a coarse sheet filtration prior to bottling.
