

KLEIN CONSTANTIA

— 1685 —

From the world's most unique sweet wine comes
the Spirit of Constance husk spirit.

Distilled from the precious husks that remain after
liquid gold has been extracted from Muscat de
Frontignan grapes, Spirit of Constance captures the
rich, sweet and succulent essence of Vin de Constance
with distinctive Klein Constantia finesse.

Gentle and elegant, Spirit of Constance delights the
senses with scents of honey and rose petal Turkish
delight complimented by delicate muscat flavours and
rounded off with a smooth and long-lingering finish.
