

SPLAT TERED TOAD

Named after Noordhoek's favourite local - the Western Leopard Toad. Once of the brink of extinction, conservation efforts in our vineyards have created a home where these cute critters can thrive

Sauvignon Blanc 2019

Grapes for this Sauvignon Blanc are meticulously sourced from the wine growing regions of the Western Cape in South Africa. Flavours of tropical fruit, limes, grapefruit, freshly cut grass and peppers dominate the nose following through to a zesty lively palate. Best enjoyed on warm summers days with fresh oysters, line fish or just on its own.
