

SPLAT TERED TOAD

Named after Noordhoek's favourite local - the Western Leopard Toad. Once on the brink of extinction, conservation efforts in our vineyards have created a home where these cute critters can thrive

Shiraz 2018

Grapes for this Shiraz are meticulously sourced from the wine growing regions of the Western Cape in South Africa. Red and dark fruit, floral notes, black pepper and toasty oak pack the nose while the palate is rich and textured with a long spicy finish! Best served with oven roasted lamb, rare beef or even on its own.
