IN THE VINEYARD: The Terra del Capo Pinot Grigio is a blend of grapes from four different wards in the Western Cape, namely Franschhoek, Groenekloof, Elgin and Elandskloof - each contributing its own individual character ranging from fresh citrus and apple to riper stone fruit flavours.

VINTAGE NOTES: Good rainfall and favourable climatic conditions during the growing season allowed for good flowering and fruit set. Most vineyards saw a significant increase in yield, and the ripening period was nicely spread out due to the cool, moderate conditions during summer. Good healthy fruit with beautiful flavours and analyses make this 2020 vintage one of the most outstanding and enjoyable vintages in recent years.

WINEMAKING: Grapes were handpicked and transported to the cellar where they were whole-bunch pressed immediately to minimise colour extraction from the blue/grey grape. Following overnight settling, the juice was racked and cold-fermented using selected yeast cultures. The wine was kept on the fine lees in stainless steel tanks before a selection of the best free-run parcels were blended and bottled.

TASTING NOTES: This wine has a brilliant, diamond bright attractive colour. Peach, nectarine and stone fruit with a light brush of dust on the nose. The palate is light, vibrant and succulent, packed with the same peach, nectarine and stone fruit flavours. Easy to drink with a subtle lemon zest vivacity and acidic freshness.
