# CHARDONNAY RÉSERVE 2024

This wine reflects our vision to craft elegant, layered Chardonnays expressing Franschhoek's unique terroir. Inspired by Burgundian traditions, it showcases balance, purity, and minerality with a South African soul, rewarding both curiosity and contemplation.

## Cellar Master's Notes

Hand harvested from our Franschhoek vineyards, this Chardonnay was vinified in a combination of stainless steel, cement egg and older French oak barrels. The combination builds fruit purity, textural depth, mineral character and beautifully balanced complexity.
