

# L'AVENIR

STELLENBOSCH

## L'AVENIR SINGLE BLOCK CHENIN BLANC 2024

L'Avenir was a pioneer of old vines Stellenbosch Chenin Blanc, with the first old vine, single vineyard wine produced in 2007. The celebrated Block 30 Chenin Blanc vineyard has stood the test of time and consistently produces wines of exceptional quality and character. The L'Avenir Single Block Chenin Blanc epitomises authentic, South African Chenin Blanc and is known for its ageability, texture and fine balance.

### BLOCK 30

Situated in a secluded little valley next to a lake on L'Avenir Estate, Block 30 vitally benefits from the cooling effect of breezes that sweep across the water. Homogenous, poor soil limits vineyard vigour, resulting in balanced vines. The combination of a unique micro-climate, moderate growth and old vines yield small bunches, with tiny berries and concentrated flavour.

**Planting year** 1973

**Altitude** 180m

**Number of vines** 3 675

**Trellising system** Trellised bush vines

**Soil type** Longlands

### WINEMAKER'S NOTES

#### Nose

A mesmerising nose of white blossoms, lemon, grapefruit peel and a delicate hint of honey.

#### Palate

A generous wine that lingers on the palate with well-balanced freshness, acidity and subtle oak nuances. With rich fruit flavours and a whisper of honey, the wine is intricate and delicate. Well balanced, with impressive texture, depth and concentration

### THE 2024 VINTAGE

The 2024 vintage saw ideal growing conditions, with moderate rainfall, cool evenings, and dry harvest periods. Extended ripening and low yields resulted in concentrated fruit with excellent acidity. This vintage promises elegant wines with vibrant fruit intensity, balanced acidity, and a distinctive expression of terroir.

### IN THE CELLAR

Five hours of skin contact takes place before pressing (separating the skins from the juice). The first 10% of fermentation occurs in cooled Stainless Steel tanks. The fermenting juice was then transferred to large first to third fill French oak barrels for 14 months. The wine was left on the healthy lees in these barrels and battonage was performed on a regular basis to naturally enhance the complexity and mouth feel of the wine.

#### Ageing potential

10-15 years

#### Analysis

Alcohol: 14.45%

TA: 5.7 g/L

pH: 3.48

RS: 3.5 g/L

### FOOD PAIRING

A fine choice for decadent seafood, such as abalone, steamed cod or pan-seared scallops.
