### CELLARMASTER'S NOTES

Leopard's Leap gives wine lovers a delightful alternative for adding quality to life during those occasions or in those moments where alcohol can or should not be consumed.

### STYLE

Red berries and sweet spice intrigue and follow through for a smooth mouth feel and lingering after taste.

### CULTIVAR

Made from Pinotage & Shiraz grapes.

### THE MAKING OF NATURA

Sourced from cool climates, the grapes for Natura products are harvested at the optimum ripeness to ensure the finest varietal characteristics.

Production is gentle with the minimum intervention approach. Once the winemaker is satisfied with the quality, the alcohol is carefully removed through drum distillation under vacuum and at low temperatures - a process that preserves the product's natural character and unique appeal.
