

TRANQUILLE

Classique

by Haute Cabrière

Sip on sunshine

Tranquille means to be peaceful and relaxed in French. Inspired by single-fermentation French wines, we brought this concept to South Africa. The result? A bright, approachable, delicious salmon-coloured wine that has become a firm local favourite.

Tasting Notes

Fresh and vibrant, with aromas of tropical fruits, red berries, and zesty lime. The palate mirrors the nose with juicy fruit flavours, balanced acidity, and a soft, lingering, approachable finish.

Food & Wine Pairing

Pairs effortlessly with light summer salads, seafood dishes, sushi, chicken wraps, and fresh vegetables. Perfect for relaxed dining, picnics, or enjoying with friends on warm afternoons.
